

MyList

```
graph BT; MyQueue --> MyList; MyStack --> MyList;
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'MyList'. Below it, a horizontal line connects two boxes, 'MyQueue' on the left and 'MyStack' on the right. From the center of this horizontal line, a vertical arrow points upwards to the bottom edge of the 'MyList' box, indicating that both 'MyQueue' and 'MyStack' inherit from 'MyList'.
