

Graph

```
graph BT; DFS[DFS] --> Graph[Graph]
```

A diagram illustrating the relationship between DFS and Graph. It consists of two rectangular boxes. The top box contains the word "Graph" in a large, black, serif font. The bottom box contains the letters "DFS" in the same font. A thick black arrow points vertically from the top of the "DFS" box to the bottom of the "Graph" box, indicating that DFS is a method used to traverse or search a graph.

DFS
